IBAN: [MISSING DATA TO BE INSERTED]

(hereinafter referred to as “[MISSING DATA TO BE INSERTED]” or the “Customer”)

Hereinafter the SSO and the Customer may be referred to individually as the “Party” or together as the “Parties”.

**Article I.
Subject of the Agreement**

- 1.1 Pursuant to this Agreement, the valid Rules of Operation setting out commercial terms and conditions for access to and use of the gas storage facility of NAFTA a.s. (hereinafter referred to as the “**Rules of Operation**”) and the valid Technical Conditions of access and connection to the storage facility of NAFTA a.s. (hereinafter referred to as the “**Technical Conditions**”), the SSO undertakes to grant the Customer storage capacity up to the agreed levels according to Clause 1.2 of this Agreement and to procure the storage of gas during the agreed period according to Clause 1.3 of this Agreement and the Customer undertakes to pay to the SSO the agreed price for such storage services according to Article III. of this Agreement.
- 1.2 By this Agreement the SSO allows the Customer, upon the Customer’s Application, the access to the Storage Facility and allocates to the Customer a Firm Flexible Storage Capacity in the following extent:

FIRM FLEXIBLE STORAGE CAPACITY	
Maximum Working Volume (MWh)	[MISSING DATA TO BE INSERTED]
Maximum Injection Rate (MWh/day)	[MISSING DATA TO BE INSERTED]
Maximum Withdrawal Rate (MWh/day)	[MISSING DATA TO BE INSERTED]

The Injection and Withdrawal Rates will be available throughout the whole Storage Period on the declining curves.

The Injection Rates will be provided as follows:

- Between 0% and 50% (including) fullness of Storage Account: flat Injection Rate [MISSING DATA TO BE INSERTED] MWh/day.
- Between 50% and 100% fullness of Storage Account: linearly declining curve where at 50% fullness of Storage Account the Injection Rate is [MISSING DATA TO BE INSERTED] MWh/day and at 100% fullness of Storage Account the Injection Rate is [MISSING DATA TO BE INSERTED] MWh/day (and between these two points the Injection Rate is linearly declining).

The Withdrawal Rates will be provided as follows:

- Between 100% and 50% (including) fullness of Storage Account: flat Withdrawal Rate [MISSING DATA TO BE INSERTED] MWh/day.
- Between 50% and 0% fullness of Storage Account: linearly declining curve where at 50% fullness of Storage Account the Withdrawal Rate is [MISSING DATA TO BE INSERTED] MWh/day and at 0% fullness of Storage Account the Withdrawal Rate is [MISSING DATA TO BE INSERTED] MWh/day (and between these two points the Withdrawal Rate is linearly declining).

- 1.3 The Storage Services shall be provided for the duration of the following period (such period being the “**Storage Period**”):

	GAS DAY
Beginning of provision of Storage Services	[MISSING DATA TO BE INSERTED]
End of provision of Storage Services	[MISSING DATA TO BE INSERTED]

**Article II.
The Interconnection Point**

- 2.1 The Customer is entitled pursuant to the Rules of Operation, Technical Conditions and this Agreement to use for injection of natural gas into the Storage Facility the Interconnection Point with [MISSING DATA TO BE INSERTED] and for withdrawal of natural gas from the Storage Facility the Interconnection Point with [MISSING DATA TO BE INSERTED].
- 2.2 **MAB CBU Fee:** If the use of Storage Services by the Customer leads to fees for the cross-border use of Storage Facility pursuant to the valid E-Control Regulation Commission Ordinance setting the Natural Gas System Charges (Gas System Charges Ordinance 2013) as may be amended from time to time, these fees shall be paid by the Customer.
- 2.3 **MAB-EUS Fee:** For every natural gas quantity injected to the Storage Facility from the Interconnection Point with the Virtual Trading Point Austria via WAG/MAB (and also for transferred natural gas quantities that have been previously injected from the Interconnection Point with the Virtual Trading Point Austria via WAG/MAB) and consequently withdrawn to the Interconnection Point with the Transmission System the SSO shall apply an additional fee as published in the SSO's Price list.
- 2.4 **MAB Commodity Rate Fee:** The SSO shall charge a commodity rate for system utilization for natural gas injected into the Storage Facility from the Interconnection Point with the Virtual Trading Point Austria via WAG/MAB (Netznutzungsentgelt für die Ausspeisung aus dem Fernleitungsnetz in Speichieranlagen). The commodity rate shall be set according to the amendment No. 4 to the E-Control Regulation Commission Ordinance amending the Gas System Charges ordinance 2013 (Gas-Systemnutzungsentgelte-Verordnung 2013- 4. Novelle 2022) as may be amended from time to time. The calculation of the commodity rate shall be taking into account injection and withdrawal of the given Balance Group.
- 2.5 **Use of alternative Interconnection Point**
Notwithstanding the above, the SSO shall have a right to ask the Customer to book and use for injection and withdrawal of natural gas to/from the Storage Facility the Interconnection Point with the Virtual Trading Point Austria via cross-border connection of the Storage Facility with the Transmission System of eustream, a.s. In such case, the Customer shall be obliged to make relevant nominations at the Entry/Exit Interconnection Point Baumgarten in Austria operated by the Austrian

transmission system operator. The SSO shall be obliged to offtake/deliver the natural gas at the Entry/Exit Interconnection Point Baumgarten in Slovakia operated by eustream, a.s. and to make relevant nominations with eustream, a.s. in relation to cross-border connection to/from the Storage Facility.

The SSO shall bear Baumgarten entry/exit fees charged by the respective Austrian transmission system operator. The SSO shall also bear a commodity rate charged by the respective Austrian transmission system operator for system utilization for natural gas withdrawn from the Storage Facility to the Interconnection Point with the Virtual Trading Point Austria via cross-border connection of the Storage Facility with the Transmission System of eustream, a.s. and the fee for the cross-border use of Storage Facility pursuant to the valid E-Control Regulation Commission Ordinance setting the Natural Gas System Charges (Gas-Systemnutzungsentgelte-Verordnung 2013 in the valid version) as may be amended from time to time.

These relevant charges imposed to the Customer by the respective Austrian transmission system operator shall be fully reimbursed to the Customer by the SSO against the invoice(s) issued by the Customer and delivered to the SSO. Respective invoices shall be delivered to the SSO within fourteen (14) calendar days after the end of month in which the respective services (related to these charges) were provided. Respective invoice shall be due within fourteen (14) calendar days from the date of its issuance.

The Parties agree that respective invoices shall be delivered only in the electronic form in pdf via e-mail from Customer's e-mail address: [MISSING DATA TO BE INSERTED] to SSO's e-mail address: efaktury@nafta.sk.

Article III.

Storage Price and Variable Storage Fee

- 3.1 The SSO and the Customer agree on the following storage price for the Firm Flexible Storage Capacity for the entire Storage Period:

Unit Storage Price per 1 MWh (EUR/MWh)	[MISSING DATA TO BE INSERTED]
Storage Price (EUR)	[MISSING DATA TO BE INSERTED]

For avoidance of any doubts, the Storage Price for the entire Storage Period shall be calculated by multiplying the Unit Storage Price of [MISSING DATA TO BE INSERTED] EUR/MWh and Maximum Working Volume of [MISSING DATA TO BE INSERTED] MWh.

- 3.2 In addition to the Storage Price, the Customer shall be obliged to pay the Variable Storage Fee applied to those injected gas volumes, which in aggregate exceed the volume corresponding to 125% of Maximum Working Volume and/or to those withdrawn gas volumes, which in aggregate exceed the volume corresponding to 125% of Maximum Working Volume. For avoidance of doubt, the level of Storage Account of the Customer associated with this Agreement cannot at any point in time exceed the allocated Maximum

Working Volume.

The Variable Storage Fee will be calculated pursuant to the following formula:

$VSF_M = (NG_I + NG_W) * (0.0075 * MI_{VTP} + CO_2)$, where:

VSF_M (in EUR): Variable Storage Fee calculated for the Gas Month M.

NG_I (in MWh): the amount of natural gas injected into the Storage Facility in the Gas Month M, to which the Variable Storage Fee applies. For avoidance of doubt, all natural gas transfers onto the Storage Account of the Customer associated with this Agreement shall be, for the purposes of the Variable Storage Fee calculation, considered injected natural gas, unless this natural gas is transferred from the Customer's other Storage Account on the last Gas Day of the storage period of the storage agreement associated with this other Storage Account.

NG_W (in MWh): the amount of natural gas withdrawn from the Storage Facility in the Gas Month M, to which the Variable Storage Fee applies. For avoidance of doubt, all natural gas transfers from the Storage Account of the Customer associated with this Agreement shall be, for the purposes of Variable Storage Fee calculation, considered withdrawn natural gas.

MI_{VTP} (in EUR/MWh): value of the Monthly Index for the month M at VTP as published by ICIS European Spot Gas Markets under the heading "Heren Monthly Indices" on the last business day immediately preceding the month M. If this index is negative, then MI_{VTP} shall be zero for the purposes of calculation of VSF_M.

CO₂ (in EUR/MWh): value of the latest daily price before the start of the month M as published in EUR/t by ICE Endex in EUA Daily Future at <https://www.theice.com/products/18709519/EUA-Daily-Future/data> multiplied by the coefficient 0.001. If this price is negative, then CO₂ shall be zero for the purposes of calculation of VSF_M.

Article IV. Invoicing and Payment Terms

- 4.1 The Storage Price (stipulated in Article III. para 3.1 of this Agreement) shall be invoiced by the SSO to the Customer every month proportionally to the number of Gas Months of respective Storage Period. Since the Storage Period shall not start from the first Gas Day of Gas Month, the proportional part of the Storage Price, prorated to the number of Gas Days in that Gas Month, shall be invoiced for such an incomplete Gas Month. The SSO shall issue and deliver the invoice to the Customer by the fourteenth (14th) calendar day of each month of Storage Period. Since the Storage Period shall not start from the first Gas Day of Gas Month, the SSO shall issue and deliver the first invoice to the Customer within fourteen (14) calendar days following the beginning of the Storage Period.

- 4.2 The Variable Storage Fee (stipulated in Article III. para 3.2 of this Agreement) shall be invoiced by the SSO and respective invoice(s) shall be delivered to the Customer, at the latest, by the fourteenth (14th) calendar day of the month following the month to which the Variable Storage Fee applies.
- 4.3 For the purposes of Clause 2.2, 2.3 and 2.4 of this Agreement, within the meaning of Act No. 222/2004 Coll. on value added tax as amended, MAB CBU Fee, MAB-EUS Fee and MAB Commodity Rate Fee represent the fees for supply of services, which constitutes repeated supply of services taking place within the agreed periods of time. The related invoices (for MAB CBU Fee or MAB-EUS Fee or MAB Commodity Rate Fee) shall be issued by the SSO and delivered to the Customer by the fourteenth (14th) calendar day following the end of the month in which the respective services were provided.
- 4.4 Prices for Individual Services and Supplementary Services shall be invoiced by the SSO and respective invoice(s) shall be delivered to the Customer at latest by the fourteenth (14th) calendar day of the month following the month in which the respective services were provided.
- 4.5 Each invoice issued by the SSO to the Customer based on and/or in connection with this Agreement shall have a maturity of fourteen (14) calendar days from the date of its issuance and shall be settled (paid) by the Customer to the SSO by bank transfer.
- 4.6 All prices and fees mentioned in this Agreement are exclusive of value added tax. The value added tax shall be invoiced / applied in compliance with generally binding legal provisions.
- 4.7 The Parties agree that all invoices issued by the SSO with respect to this Agreement shall be delivered only in the electronic form in pdf via e-mail from SSO's e-mail address: invoice@nafta.sk to Customer's e-mail address: [MISSING DATA TO BE INSERTED] The invoice shall be deemed to be delivered by its sending to the Customer. The Parties agree that invoice is considered to be received by the Customer by its sending from SSO's e-mail address to the Customer's e-mail address defined herein. The Customer declares that the Customer has access to the stipulated e-mail address for invoice delivery. The Customer is obliged to take measures to allow delivery of SSO's invoices to the stipulated e-mail address.

Article V.

Agreement's Relation to the Rules of Operation and Technical Conditions

- 5.1 Unless this Agreement expressly provides alternatively, all definitions and capitalized terms used herein shall have the same meaning as in the Rules of Operation.
- 5.2 By signing this Agreement the Customer accepts the provisions of the Rules of Operation and Technical Conditions.

- 5.3 All of the rights and obligations that are not in addition expressly regulated by this Agreement are governed by the valid and effective Rules of Operation and by the valid and effective Technical Conditions or possible operational agreements.
- 5.4 The Parties are obliged to interpret this Agreement in accordance with the Rules of Operation and Technical Conditions.

**Article VI.
Arbitration clause**

The Parties agree that if they fail to settle the Dispute and fail to agree otherwise in writing according to the Rules of Operation, the Dispute shall be referred to the International Arbitral Centre of the Austrian Federal Economic Chamber in Vienna (the “**Arbitration Court**”) for arbitration in accordance with the Rules of Operation.

**Article VII.
Temporary and Closing Provisions**

- 7.1 This Agreement becomes valid and effective at the moment when it is signed by both Parties.
- 7.2 Provisions of Articles of Act No. 513/1991 Coll. Commercial Code, as amended, shall be similarly used for this Agreement if this Agreement does not state otherwise or if the relevant provisions are not applicable to this Agreement due to the specifics of the natural gas storage activities. The legal relations arising from this Agreement shall be governed by, interpreted and executed in accordance with the laws of Slovak Republic. Application of rules and regulations governing conflict of laws, referring to the applicability of other than Slovak law, shall be ruled out.
- 7.3 The following Annex is an integral part of this Agreement:
Annex No. 1 - Contact Details of Parties.
- 7.4 Any provision of this Agreement shall be interpreted so as to be valid and effective pursuant to the applicable legal regulations. However, should it be unenforceable, invalid or ineffective under the applicable legal regulations, the other provisions of this Agreement shall not be affected. In such a case, the SSO and the Customer shall under the current rules replace the unenforceable, invalid or ineffective provision with another provision the content and purpose of which approximates the content and purpose of the invalid, unenforceable or ineffective provision as best as possible.
- 7.5 The Customer hereby confirms that the natural gas injected to the Storage Facility shall have customs status “Union goods”. In case that the natural gas injected to the Storage Facility shall have customs status “non-Union goods”, the Customer shall inform the SSO on such customs status at least two days prior the injection.

- 7.6 The Customer declares that the Customer does not have a seat, place of business and fixed establishment for VAT purposes in Slovakia. If the seat, place of business and/or fixed establishment of the Customer for VAT purposes is formed in Slovakia, the Customer shall be obliged to notify the SSO thereof immediately; however, at the latest within two (2) calendar days of existence (formation) of seat, place of business and/or fixed establishment.
- 7.7 The Customer declares that the Customer is registered for VAT purposes as VAT payer according to the legislation of [MISSING DATA TO BE INSERTED] and for the purposes of this Agreement and VAT purposes the Customer acts as [MISSING DATA TO BE INSERTED] VAT payer with seat or fixed establishment in [MISSING DATA TO BE INSERTED] upon [MISSING DATA TO BE INSERTED] VAT number. Should the Customer's [MISSING DATA TO BE INSERTED] VAT registration become invalid or be cancelled or be changed, the Customer shall be obliged to notify the SSO thereof immediately; however, at the latest within two (2) calendar days of any change related to this registration.
- 7.8 The Parties may change or complement this Agreement only by written, sequentially numbered amendments to this Agreement, which have to be signed by persons authorized to act on behalf of the Parties. To change the identification data shown on the front page of this Agreement or the contact persons shown in Annex No. 1 to this Agreement or e-mail addresses for the purposes of delivery of invoices stipulated in this Agreement, a written notice delivered to the other Party shall be sufficient.
- 7.9 The Customer is obliged to provide correct and complete information to the SSO in relation to this Agreement and to immediately notify the SSO of any change concerning the Customer or its representations or obligations contained in this Agreement or carried out on the basis of this Agreement. Should the Customer fail to fulfil these obligations, it shall be liable for any losses incurred by the SSO as a result, including obligation to bear the costs related to possible additional tax imposed by the tax administrator, including penalties.
- 7.10 The Customer shall bear the loss, including the obligation to bear the costs related to the tax administrator potentially assessing additional tax, including sanctions, which the SSO has incurred due to the Customer having provided incorrect or incomplete information or where the Customer has failed to immediately notify the SSO of any change concerning the Customer or its representations or obligations contained in this Agreement or carried out on the basis of this Agreement.
- 7.11 The Parties hereby agree that they will take all the necessary steps in order to fulfill all the obligations arising from this Agreement in relation to the Regulation 1227/2011 of the European Parliament and of the Council on the Wholesale Energy Market Integrity and Transparency.
- 7.12 The Parties hereby agree to cooperate in order to fulfill any obligations that may arise from the REMIT legislation.
- 7.13 This Agreement is executed in two originals in English language, of which each Party shall receive one original.
