

RULES AND CONDITIONS FOR PUBLIC CONSULTATION ON THE AMENDED RULES OF OPERATION SETTING OUT THE BUSINESS CONDITIONS FOR ACCESS TO AND USE OF THE GAS STORAGE FACILITY OF NAFTA a.s.

1. Comments on the draft of the amended Rules of Operation setting out the business conditions for access to and use of the storage facility of NAFTA a.s., as published for commenting (hereinafter referred to as the "Rules of Operation"), should be sent to the following e-mail address: consultation.RoO@nafta.sk.
2. The deadline for sending comments to the public consultation is up to and including **11.12.2023**.
3. Comments may be submitted by an affected market participant in accordance with §19a of Act No 251/2012 Coll. on Energy.
4. Comments submitted after the deadline will not be accepted.
5. Comments on the published document must be submitted in Slovak or English, exclusively in the form of the Comment Form.
6. The comments submitted must identify for each comment the specific parts of the Rules of Operation to which the comment relates.
7. The comment must be accompanied by its proper justification.
8. The submitted comments and the result of their evaluation will be published on the website of NAFTA a.s. after the end of the consultation process. Changes to the Rules of Operation made on the basis of the public consultation will also be published.
9. All comments will be published under the name of the affected market participant that has delivered them to NAFTA a.s., unless the affected market participant has marked them as "publish anonymously".
